

GREGORY DICKOW

MINISTRIES

About two years ago the Lord challenged me with this amazingly simple, yet profound, question:

“If I were to give you a platform to speak to every person in America, what one thing would you say that would genuinely set every one of them free?”

Frankly, I was stunned by this question. I’ve been preaching the Gospel since the day I got saved 19 years ago.

But then I thought about all the people who have heard the Gospel—prayed prayers—went to meetings—gave offerings—but still weren’t truly free.

I thought about all the people in churches who are frustrated, hurt, and disappointed. Some so disillusioned that they don’t even dream anymore. Some so hurt that they can’t even laugh anymore. Some so discouraged that they can’t even hope anymore. They’re simply struggling just to survive.

My heart became stirred. “I must find the answer,” I thought.

Then I thought about how it must have been for Adam and Eve before the fall. How free they must have felt in the Garden of Eden—enjoying any and every harvest they desired.

How blessed and happy they must have been in the green pastures that Moses and David give us a glimpse of...

Yet that seems so far away from us; **it’s so difficult to imagine ever recapturing that kind of freedom, power, and joy.**

Suddenly, the Lord took me to Genesis 2:7. And He said to me, “Greg, I never destroyed the Garden of Eden when I flooded the earth—I simply relocated it.”

He showed me how He formed man from the soil of the earth (Genesis 2:7). And I said, “Lord, why didn’t You make us out of gold or silver or some other precious material? You made us out of DIRT?”

The Lord replied, “What is soil designed to do? What will it always do?”

Although I've never been that great at science, I knew this one thing: soil is designed by God to bring forth a harvest!

Suddenly, it hit me—man's most certain and secure freedom lies in this one principle:

YOUR LIFE IS A GARDEN—and you are made of soil!

Your heart is designed by God to bring forth every dream, every promise, and every hope you have ever had.

Now, the Lord confirmed this truth in Deuteronomy 30:11-14 when He said, "...this commandment which I command you today is not too mysterious for you...It is not in heaven, that you should say, 'Who will ascend into heaven for us and bring it to us, that we may hear it and do it?' ...the word is very near you, in your mouth and in your heart, that you may do it."

You see, the promises of God, your healing, your miracle, your children's protection, your financial freedom, your blessed future are nearer than you think—closer than you think.

YES, YOUR LIFE IS A GARDEN, AND YOU CAN CHANGE WHAT'S GROWING IN IT ONE MINUTE FROM NOW!

Then I began to realize what frustrated so many Christians and non-Christians alike. They see the Bible as a book of rules, rather than what it really is: A BAG OF SEED!

A bag of seed containing every harvest you will ever need.

Every word in the Bible is a seed that will give you a harvest of health, blessing, wisdom, joy, freedom, and genuine happiness.

It's guaranteed to produce in your life—because every seed needs soil in order to grow and your life is the soil that will grow the GARDEN OF EDEN IN YOU...

Yes, the Garden of Eden still exists! Through the new birth and our covenant with Jesus Christ, we have power over our future, power over our fears, power over our financial struggles.

This is true freedom!

Are you beginning to sense the power that is in you? 2 Corinthians 4:7 says, "...we have this treasure (garden, wealth, blessing) in EARTHEN vessels...".

The power of God has been placed in earthen vessels—vessels of soil that will produce the impossible, the unthinkable, the unbelievable.

This is your hour, this is your time—your struggle is over!

If you have felt, like me at many times in the past, like you were in the wilderness and in the desert, then this is for you.

Here is the good news Isaiah was talking about when he said: “Your wilderness He will make like Eden and your desert like the GARDEN OF THE LORD.” (Isaiah 51:3)

There is so much more I want and need to tell you about this revelation. I wish I could sit down with you and share this with you personally.

But that’s not possible . . . or is it?

In the coming weeks and months, through our television expansion, I can be right there with you, and you and I can share this freedom with hundreds of thousands of others.

God has called me to spend my life helping you and others put an end to frustration and the disappointing results in your life. You are designed by God to bring forth a harvest!

This principle of seedtime and harvest—that YOUR LIFE IS A GARDEN—will absolutely produce the results that have eluded your grasp long enough!

But then I thought about all the people who have heard the Gospel—prayed prayers—went to meetings—gave offerings—but still weren’t truly free.

As I said earlier—you can change your future—NOW—THIS MINUTE!
Everything in your life can change today.

Jesus said, “Do not say, ‘There are still four months, and then comes the harvest...the fields (your life)...are already white for harvest! (John 4:35)

The Word declares that as you sow bountifully, you will reap bountifully (2 Corinthians 9:6).

I will minister this principle into your life for as long as you will allow me. I will show you how to get the harvest God meant for you to have. And together, we will experience days of heaven on earth. (Deuteronomy 11:21)

I want to leave you with this closing thought that continually rings in my ear that the great healing evangelist and university founder, Dr. Oral Roberts, shared with me:

“Even God cannot multiply a seed not sown!”

[Begin planting today](#) and get ready for the harvest of your life!
